

## **God of the Dead**

*(words and music by seth woods)*

G

God of the dead

God of the dead

Em            C

God of the breathing again

God of the earth

God of the grave

God of the rising and the raised

Em            C

open your mouth

Em            C

open your mouth

Em            C

open your mouth

G

and breathe our new name

God of the fallen

God of the flood

God of the bleeding and the blood

hold up the wretched

lower the proud

lead us with your fire and your cloud
